Farewell To-*

*Sometimes while sitting late at night
When lights are out and the fire burns low,
Our wistful eyes see in the brand
Your face as it looked long ago;
And then we open memory's book
And search the bygone past
To live again those treasures stored
Within our hearts, while life shall last.*

Fondly, We Dedicate The 1980 Viking To The Fine Arts Department

Mrs. Shirley McCall

Before teaching full-time at Marysville High School, Mrs. McCall was Art Co-ordinator in all of the Marysville elementary, junior high, and high schools.

Her 25 years of service to MHS will forever be recalled as throngs of students enroll in the program offered each year, with each section being filled rapidly.

While furthering her own background in ceramics, Mrs. McCall developed various courses in ceramics and crafts for our Art Department.

This is a tribute to a great teacher and a great lady.

Mr. Charles Salvo

Since 1947, when an elementary student passed into the fourth grade, he has been allowed to begin the study of a band instrument with Mr. Salvo. It wasn't until 1978 when the new band room was supposed to be ready that Mr. Salvo became a full-time teacher at Marysville High School.

When several students requested a music theory class, Mr. Salvo stayed after school with them to teach it. Also, the Stage Band was an after-school and noon feature before it became part of our regular curriculum. As director of the Marching Band, he was a familiar face on the football field to students and townspeople. Thousands have enjoyed his Concert Band.

Planning programs, half-time activities, arranging music, practicing after school – all add up to a fine, dedicated teacher.

Senior Advisors Comment

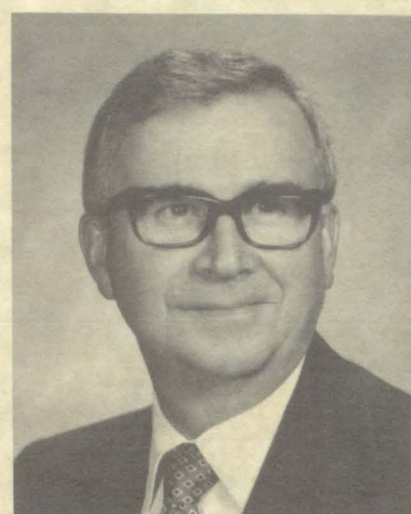

Mr. Patterson – "A new building brings new ideas and hopefully new solutions to old problems."

Mr. Patterson has been our Chief Advisor, through our four years of high school.

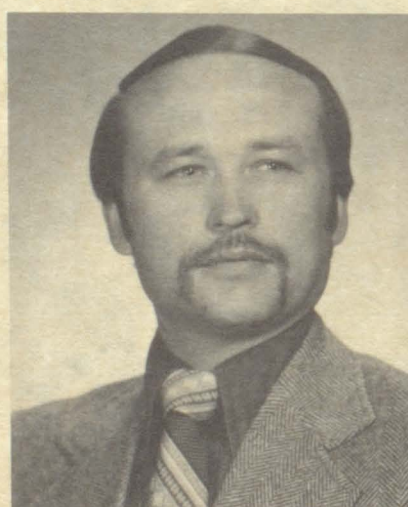

Mrs. Bellow – "Thirty-one years ago, my classroom was in practically the same spot that it was this year. The building, students, faculty have all changed, but close friendships always remain constant."

Mr. Philp – "Sure is great to be back to a first-class operation."

Mrs. Gallagher – "Having a new art room is a luxury for the students as well as myself. I get a lot of pleasure from just being able to look out the windows every once in a while."

Mr. Hadden – "The new building has helped many departments to expand and become a little more specialized."

Mr. Schmorow – "The new addition and remodeling to the high school gives me the best teaching station I have ever had. I thank the community for giving us exceptional facilities that can only enhance our education. The building is a symbol that they care about the youth of the future."

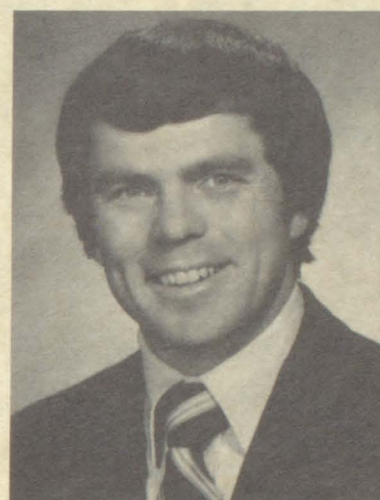

On The New School Addition

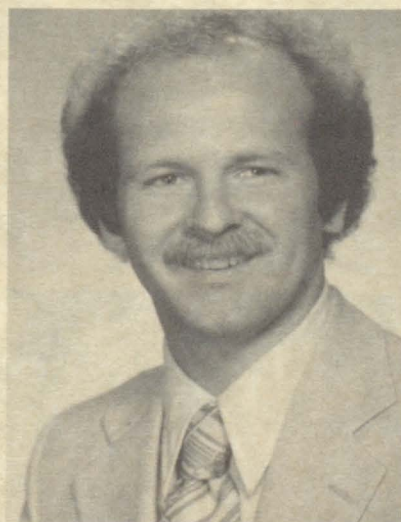

Mr. Skrzyniarz – "A fine facility like Marysville High School evokes pride. Pride is contagious. It will carry on into everyone's future."

Mrs. Burns – "The new building will be great when it is completed."

Mr. Venia – "The new addition to the high school has improved the educational spirits of staff and students."

Mr. Goetz – "It's nice, but I'd like it a lot better if one of the rooms I could call mine. That way I wouldn't have to move around all day and I'd have a desk I could use."

With the advice and guidance from the 1980 Senior advisors, we have now made it through our four years of high school. They devoted their time and energy for such matters as money-making projects and homecoming activities. We will always remember their time and their support that was put into our graduation.

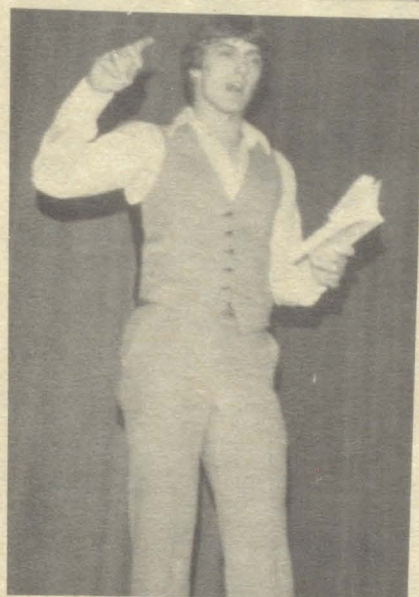

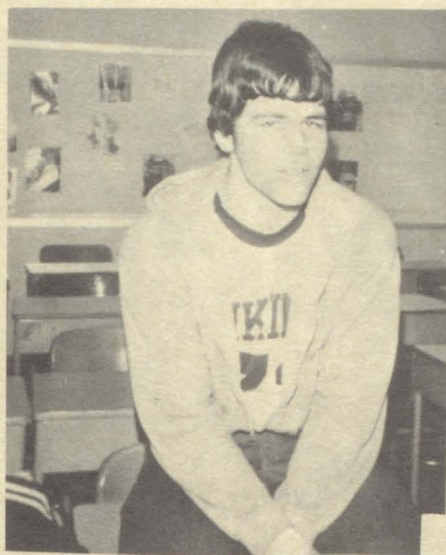

Miss Vivian – "I really enjoy my new room with carpeting and lots of work space."

CLASS SONG
Where Have They Gone?

Outside the sky is water color grey
Newspaper says to look for rain today
No one around for company
And so I turn to memories to pass the
time away
Each face that flashes back to mind
Seems as it was untouched by time
I can't recall quite all the names
Each one is precious all the same
How strange to think
How many friends were lost somewhere
behind
Where are they now
How I miss those companions
Who walked the canyons of the night
By my side
Where are they now
Like so many crazy dancers
We live only for the answers in a song
But that was long ago
Where are they now
When love was new and wonderful
There was no word possible
The future we saw with our minds
Was something of our hearts design
Between today and yesterday
Life came between us all

National Honor Society has been busy with many projects. During the Second Semester of 1978-79 school year, a Hoop-Shoot Contest was held. The object was to shoot the best out of fifteen free throws. Mike Maynard, Patti Benoit and Kirk Smith tied for first place by shooting fifteen each. There was a shoot-off and Mike Maynard was the winner. The NHS planned to raise money for the Muscular Dystrophy, and they also sold posters and Knick-Knacks. NHS also had a Christmas party for the Woodland students. Debbie Lents and Jeff Ropp applied for a National Honor Society Scholarship.

The 1979 Boys' and Girls' State were held at Michigan State University and Olivet University. Mock governments were set up in both places. Positions filled were various state, county and city offices. Each representative was chosen by a committee of teachers on five major areas: (1) Leadership, (2) Mental Alertness, (3) Awareness of Government, (4) Vigor, Enthusiasm and Responsibility, plus (5) The Ability to get along with others.

The purpose of this program is to stress the prominence of government, and to encourage a permanent concern in the governmental process. Boys' and Girls' State help to enlarge the understanding of our government.

This year there were 24 students participating in the Woodland program. Most of the aides worked with the students on a one-to-one basis in the classroom. In gym, shop, swimming, art, music and life science, the aides assisted the teachers. Life science is a class where the students learn different skills involved in daily household cleaning.

This year the Woodland Aides were required to hand in two projects and monthly write-ups describing experiences in their rooms in addition to helping the students daily.

The Many Faces Of Kathy

Escorted by Dave Beaudry, our 1979-1980 Homecoming Queen was lovely Kathy Durcan.

One of Kathy's activities throughout high school has been cheerleading. She has been involved in it all four years, acting as captain in ninth and twelfth grades. Other activities included Student Council, Pep Club, and Junior Play Crew. Kathy has been employed at Marysville Shell since eleventh grade and is currently working co-op in the principal's office at MHS.

Their Beauty Captured Our Thoughts

The Senior Class was proud to have lovely Donna Dionne as one of their representatives. She was escorted by John Cantanzero.

Charming Mary Mackay was another senior representative for the Class of '80. Her escort was Chris Mader.

The Class of '82 was represented by glowing Kim Mills. Tom Pabst accompanied her.

Escorted by Gary Tobiczky, attractive Jill Feick represented the Class of '81.

Picturesque Sandy Gates represented the Freshman Class with Jeff Masar.

"MORE THAN SEMI-TOUGH" was the winning theme for the Senior Class. It was built at Kerry Krohn's house, where they worked diligently to complete it.

The Sophomores received honorable mention for the float, "RETURN THEM FOR A REFUND." John Wilson's home was the place of construction.

Second place went to the Junior Class with their theme, "TIME WILL TELL THE CHAMPS." Many long hours and hard work was put into their float at the home of Sharon Miller.

The Class of '83 put together a third place float with the theme of "TRAP THE RATS." The float was constructed at the home of Todd Collins.

They also went Christmas caroling at Port Huron Hospital. With part of the money the Travel Club raised, they helped send Debbie Sawdon to Finland during the summer of 1979. This year's Travel Club started something new. Each member has a pen pal.

Mrs. Bellow has advised the VIKING yearbook for the past thirteen years. "Advised" is an understatement. Each year she was faced with the many challenges

of putting out the yearbook. Without the dedication she has had in the past, the VIKING yearbook would not be of such the high quality that it is today. We can only wish that the VIKING yearbooks of the future will be advised by such a truly giving person as the VIKING yearbook of the past.

The Ski Club was advised by Miss Fedraw and Miss Arno. The co-chairmen were Debbie Lents and Tod Briggs. The Providers For The Future

The Junior class made their biggest profit this year by selling in the concession stand during football season. They sold candy, popcorn, hot chocolate, tea, and coffee. Co-chairmen were Greg Saffee and Sharon Miller. The advisors in charge of this money-making project were Mr. Puskarich and Ms. Riherd.

Jr. Prom-Their Night

For Romance

"We've Got Tonight"

Our Jr. Prom, "We've Got Tonight," was held at Gardens School on Friday, January 25, 1980. "Phoenix," our band, presented three hours of excellent music. Chaperoning were Mr. Sazehn, Mr. and Mrs. Meier, Mr. Puskarich, Ms. Riherd, Mr. and Mrs. Elsholz, Mr. and Mrs. Andrews, and Mr. and Mrs. Grosser. Mrs. Bellow and Yearbook Staff members were there taking pictures along with Mr. Puskarich.

A Prom does not just fall together at the last minute. The planning started in November with the selection of a band. Committee members were busy with publicity, collecting card tables, programs, favors, table decorations, floor decorations, and refreshments right up until guests started to arrive that evening.

The Prom will be a night for Juniors to remember for the rest of their lives.

"The Perfect Idiot" was presented by the Class of '81 on November 16 and 17. A great deal of work went into making the opening performance in the newly refurbished auditorium a success.

Committee chairmen were kept busy for six weeks as the managers took care of all the small details. Greg Saffee, our Student Director,

put in many long hours along with Miss Butler, our Director.

All new flats were made by Scott Stevens to match the beautiful new auditorium.

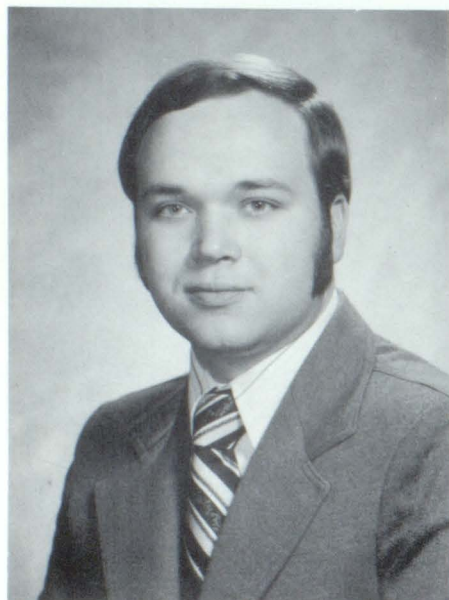

"The Perfect Idiot" is a comedy about a group of high school students and their problems. The excellent representation by the actors was a definite plus to the final product. The play received raving reviews from all who attended.

Leadership Is Nothing New

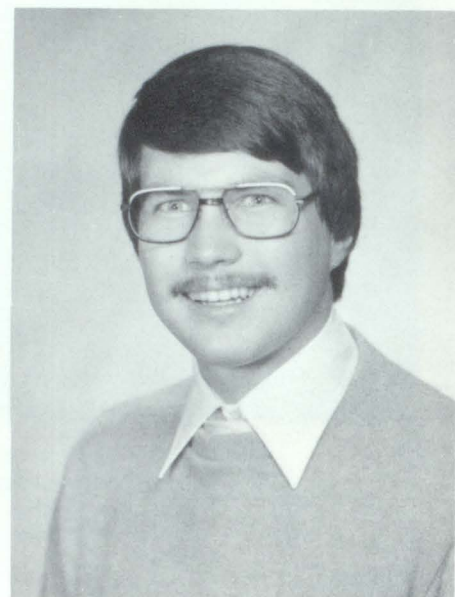

When the Junior Class Advisors were asked their opinion of the new school addition, their comments were as follows:

Mr. Meier — "I feel that the improvements made within this school are excellent. More detail to the finished product should have been observed."

Mr. Puskarich — "The new addition may mean the difference between a divided school and one in which student spirit has multiplied."

Mr. Katerberg — "The new addition greatly increases the size of the building, which is a mixed blessing. While there are new and improved facilities for many classes, it is much more difficult to daily see teachers whose rooms are located in the new wing."

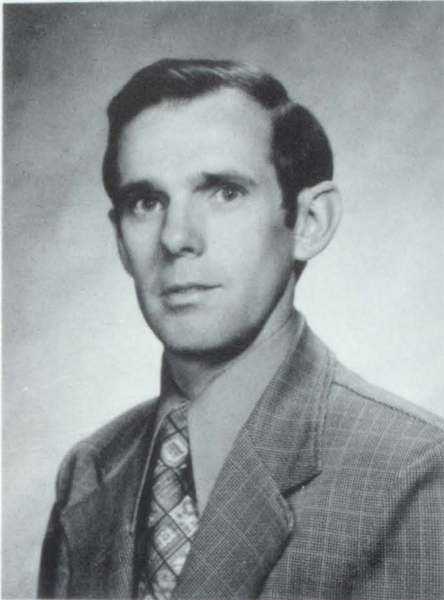

Ms. Riherd — "Our new facilities make working with students an even greater pleasure."

Mr. Braun — "Great! I'll be glad when it's over!"

The Junior year of any class is always the busiest. Not only does it keep the students busy, but the advisors too. The action starts off on September with the concession stand. Ms. Riherd and Mr. Puskarich were the co-ordinators of this. Next came the task of Homecoming floats. Miss Arno and Mr. Meier were very involved as the advisors for this activity. Mr. Sazehn was busy during the winter months with the Junior Prom. Mr. and Mrs. Elsholz helped chaperone the dance, and Mr. Puskarich was there taking pictures as usual. The Junior Play followed involving a magnitude of students. The year ended with a money-making project. Mr. Elsholz was chief advisor again this year. With the help of these advisors and many more, our Junior year went very smoothly.

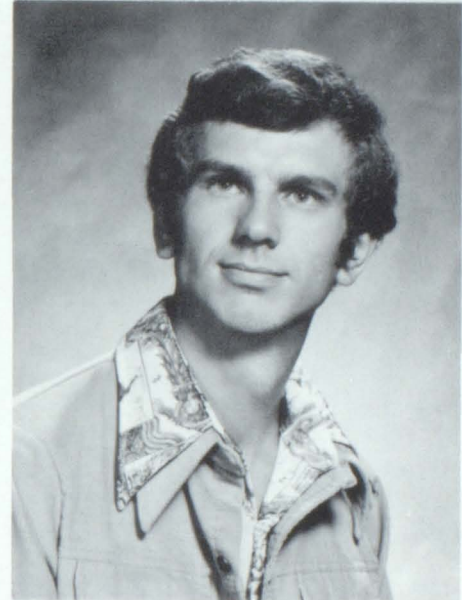

To Those Who Care

Mr. Elsholz - "The new addition to MHS blends quite nicely with the original structure, but is more efficient and practical than the older units. Wider halls, recessed doors, and the use of modern engineering materials add to the positive feeling many people have for the addition."

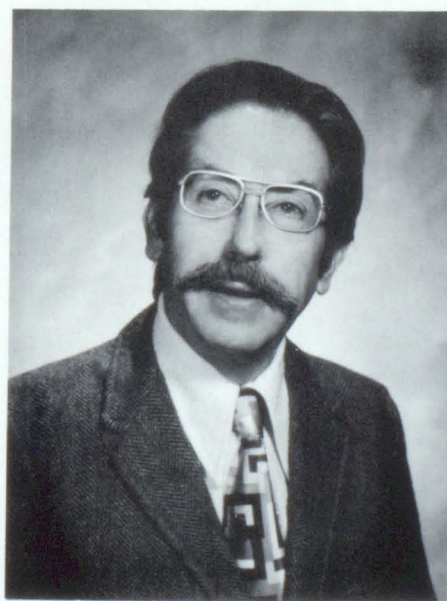

Miss Arno - "The language lab is a definite plus. It, along with the more modern look of the whole building, has changed the atmosphere and attitude of everyone. The inconveniences of the past two years were obviously worthwhile."

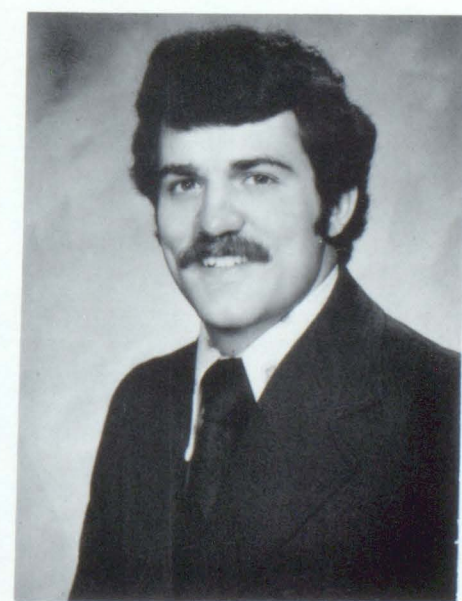

Mr. Houck - "The new additions to MHS have certainly proven to be a 'shot in the arm' to teachers, students, and the community. A better, improved environment for learning makes for better education."

Mrs. Elsholz - "The colorful new school addition provides us with some much needed space and improvements."

Mr. Yon - "Whoopie!! I'm glad to have it."

Mr. Sazehn - "Not all of us were affected by the change. There is still room for improvement in the old section of the high school."

Your Junior year in high school is one of the more active. This year we started off right with the construction of our 2nd place float. Next was the Junior Prom. It came off without a flaw. The year was completed with a money-making project to build the treasury for next year. The Steering Committee members were all kept busy with these activities during their fast-paced Junior year.

This was an eventful year for the choirs. In December the choir went Christmas carolling to spread around their Christmas spirit. They held an Early Spring Concert in March featuring songs from the musical Pippin. There were two solos: one by Debbie Cochran and one by Senior Joe Hurley. On St. Patrick's Day, since the choir room is green, the choirs had a St. Patrick's party. At the end of May they had another spring concert. They sang for Baccalaureate in June when the Class of '80 graduated. The annual Senior Concert was also held.

"The Mouse That Roared" was the Class of 1980 selection for the annual Senior Play at MHS.

In the lead roles were Mary Mackay as Gloriana and Jeff Ropp as Tully Bascum. The cast consisted of 32 members. The large cast and crew made the play a success, as well as a great deal of fun for those participating. "The Mouse That Roared" was directed by Miss Beverly Butler.

The cast put on four performances: two-Thursday, March 20, and Friday, March 21, were for the student body. The other two performances were held the same nights for the general public, with curtain time at 7:30 p.m. in the Marysville High School Auditorium.

The 1979 all-school Musical was Rodgers and Hammerstein's **Oklahoma** which was presented May 10, 11, 12 at the St. Clair Community College Fine Arts Theater. Among the cast members were Jeff Ropp, as Curley, and Bev Keeler, as Laurey, who were chosen to lead the musical. They did just that, capturing the attention of the audience.

An enthusiastic line of performers sang their way into the hearts of those who viewed the production. Songs such as "Oh, What a Beautiful Morning!", "Kansas City," "A Girl Who Can't Say No!" and the famous "Oklahoma!" were among the favorites of the show.

He Climbs The Highest

Mrs. Wilton, Chief Advisor — The addition is a real improvement to our building. Instructors can now have their own rooms-all day. This can make a learning experience much better for the students.

Mrs. Campbell — I am very pleased with having my own office and room which is used only for vocal music. Also, I appreciate the opportunity to perform in the newly renovated auditorium.

Miss Casterline — Fantastic! It certainly gives everyone a sense of pride.

The new school addition was a big "hit" with teachers as well as students. Teachers now have facilities to make learning fun and educational.

When asking teachers how they felt about the new addition, they all responded differently.

Mr. Gkekas — I think it shows our school system is following the needs of the community. The addition is excellent and the students as well as faculty are appreciative of this addition.

Mrs. Heyboer — The new addition has made many positive changes to an already great school.

Mr. Jackson — The new school is beautiful, but students make the school.

Who Helps Another Up

Mr. Lindke – The new school addition is just one more ingredient that makes Marysville High School one of the best schools in the state.

Mr. MacDonald – No Comment

Mrs. McCall – The only drawback to a new building is that new students and teachers never had to put up with the old. Hopefully, they will treat it with kindness and respect.

Sophomores expressed dedication when ordering class rings. Rings were ordered in September and Sophomores received them in December.

Sophomores received honorable mention in the 1979-1980 Homecoming Float Competition.

Miss Mullen – Rooms are nice size, but color combinations are not in harmony. Also, I don't see my fellow teachers as often.

Mr. Suprenant – Marysville High School is a beautiful place. The new addition is a credit to everyone in the school system.

Mr. Wheeler – No Comment

We're Still The Champs!

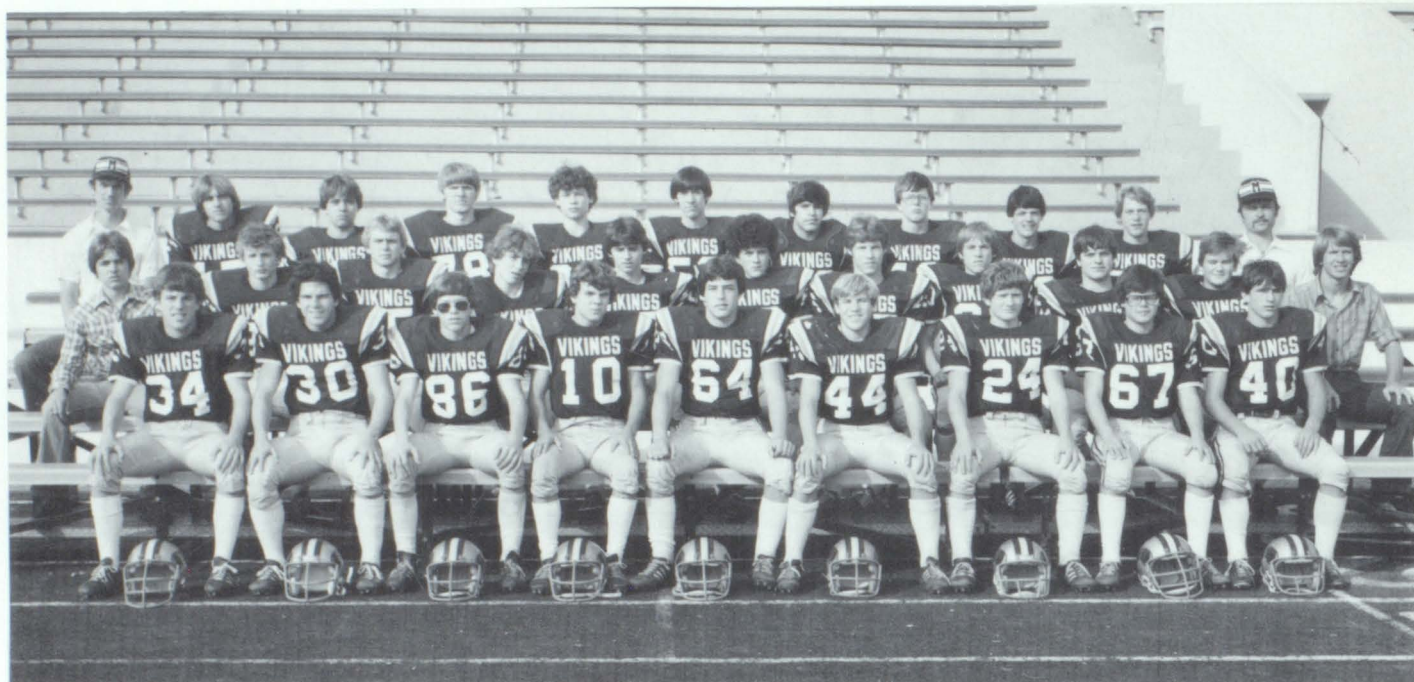

**WE'RE
NO. 1**

This team is definitely a great group of young men. They finished the year sixth in the Associated Press Class B poll, fourth in the class B, Region 3 race! The mighty Viking team wrapped up its fourth consecutive SCAL title this year. Many goals were set which were all accomplished by the team. One goal was to beat PH Northern. That goal will be one to remember because the score was

15-14. Jeff Vollstaedt made First Team All-State in the Associated Press Poll. Roger Schaaf was selected First Team All-State in the Detroit News. Coach of the year of the Class B Region in the Associated Press could go to no one but Coach Braun. Only a team that has their physical and mental act together could go so far. The school is really proud of our Vikings.

Dennis Socha and Rick Pierce were voted by their teammates to be co-captains of this year's team. The team's efforts were greatly rewarded this year when they became SCAL co-champions.

The large meets held on the Marysville track last year were the SCAL meet, held on May 23, and the Marysville Relays, which took place on April 27.

Many relay teams placed at the Marysville Relays. One of the teams was the mile relay team of Dave Pake, Pat Richards, Gary Siemen, and Mark Siemen, who took 6th place with a new school record of 3:33.7. Another team that placed was the shuttle hurdle relay team of Zac Herman, Chris Troy, Jeff Rands, and Dave Pake who took 6th place.

The other teams that placed were the shot put relay of Brian Parsons, Dan Quinn and Mike Quaine who took 4th place; and the 2-mile relay team that received 2nd place.

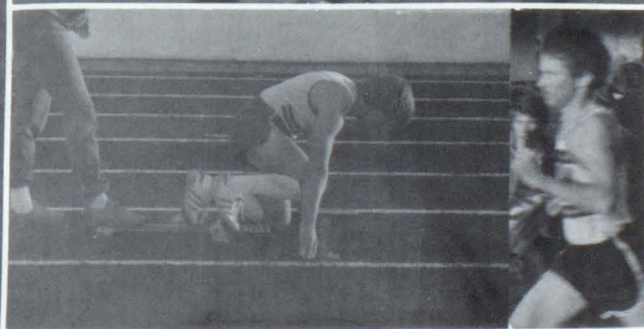

At the EMU Huron Relays Brian Parsons took 2nd place in the shot put, and he also was awarded 1st place at the MSU Spartan Relays in the same event.

Given And Nature Endured

The 1979 Boys' Track season was one that will not be forgotten for years to come. The team was coached by Mr. Gkekas and his assistant, Mr. Sazehn. The team started their dual-meet season off with a thrilling one-point victory over SCAL opponent, Marine City. They continued this exciting pace throughout the season, finishing 2nd in the SCAL, with a record of 5 and 1.

The position of captain was shared between Dave Pake and Brian Parsons, the team's leading scorers.

Their Wisdom Will Help To

Miss Butler — "It is no nice to have a room to call your own. I love it, I love it, I love it!"

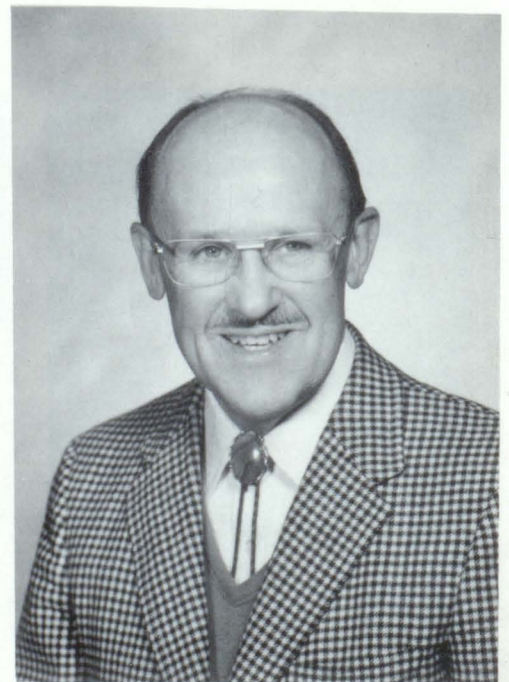

Mr. Kraft — "I think the new addition provides many needed extras. The extra classroom space and the new facilities (art, band, etc.) are definitely a great bonus for the school."

Mr. Collard — "The spacious typing and office practice rooms make teaching more pleasurable."

The Freshman Advisors were very helpful this year. They assisted us in registration although there were few homeroom periods. The advisors also aided us in producing a 3rd place float under the theme of "Trap the Rats."

In keeping with the theme of the yearbook this year, the VIKING staff asked all teachers to comment on the new addition of the high school.

Mr. Heimburger — "Makes our high school facilities the best I know of."

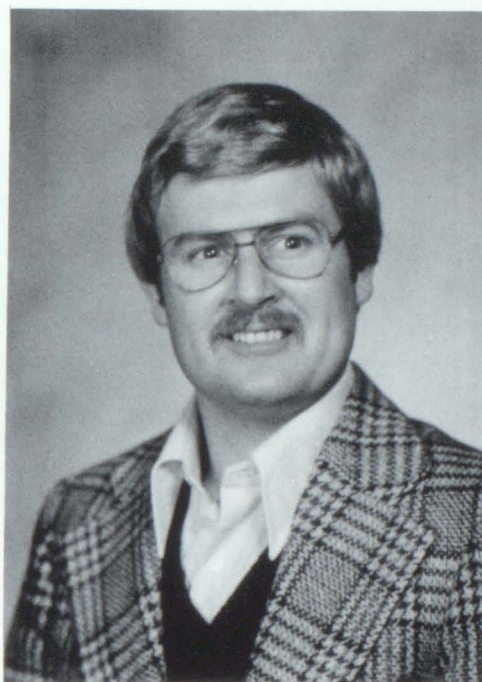

Influence The Future

Miss Fedraw – "I thoroughly enjoy the biology preparation lab as it enables private and group discussions concerning personal feelings. There are other such areas in the new addition which allow students and teachers to discover who they are and who they are becoming."

Mr. Martin – "On a scale of one to ten – three from the bottom."

Mr. McKeand – "A most trying but interesting year. I can only hope for the completion of the Science Dept. renovation sometime before my retirement."

Mrs. Gorham – "The new school addition should be an incentive to the students and teachers to absorb and disperse as much knowledge as each one can."

By all means, your personal senior portrait should be different from everyone else's.

This may mean special lighting, clothing, and poses — whatever it takes to capture you at your best.

No assembly line, please!

At our studio we're prepared to put out that special effort to make your senior picture one that "captures the real you," and one that's worthy of this important event in your life!

Call us and see the difference!!
